## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 4-6 and 8-10 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or anticipate the claimed limitation of where the reset control unit resets only functions which can be selected and set in the mode setting state selected by the mode selection unit when the reset operation unit has been operated. The Examiner agrees the Applicant assertion that the prior art of record also resets functions that are not display and cannot be selected along with those that are selected.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
